

\$ 459,500.00

7220 BROOKWATER WAY

<https://arcrealtyok.com>

One of the largest floor plans still available in the subdivision, this beautifully designed new construction home offers space, functionality, and modern style throughout. Featuring 5 bedrooms, 3 full baths, and approximately 2,483 square feet, the open-concept layout provides generous living and entertaining areas with quality craftsmanship and thoughtful finishes....
